

Virtual Magnet and School Attractor Program Event Registration

The event schedule for each of our events for families to learn about their School Options for the 20-21 School Year is below. All families must register using the link below for the event they want to attend. Registration links will be made available approximately a week before each event.

Every event will be unique, with some events focusing on activities and others on school tours with yet others on presentations and information.

The Magnet Office and Magnet Placement Specialists will conduct sessions at each event so families can ask questions about applications and processes for applying to a school/program.

Event	Description	Date	Time	Event Registration Link	Key Information
STEMtastic	<i>Learn about the many exciting STEM Magnet and Attractor Programs in the district!</i>	10/8/2020	6:00 -7:00 PM	We had a great time!
