**Please describe the methods for delivering the instruction for each grade level.**

### **K-5 Physical Education**

The Monique Burr Foundation (MBF) Child Safety Matters® lessons are facilitated by a certified teacher with specific curriculum training. Lessons are structured through a PowerPoint that includes direct instruction, class discussion, and student activities.

### **6-8 Physical Education**

The MBF Teen Safety Matters® lessons are facilitated by a certified teacher with specific curriculum training. Lessons are structured through a PowerPoint that includes direct instruction, class discussion, and student activities.

### **9 Health Opportunities Through Physical Education (HOPE)**

The Chosen or MBF Teen Safety Matters® lessons are facilitated by a certified teacher with specific curriculum training. Lessons are structured through a PowerPoint that includes direct instruction, class discussion, and student activities.

### **10-12 Social Studies**

The MBF Teen Safety Matters® lessons are facilitated by a certified teacher with specific curriculum training. Lessons are structured through a PowerPoint that includes direct instruction, class discussion, and student activities.

# Child Trafficking Prevention Education Implementation Plan HCPS

Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.

## **K-5 Physical Education, MBF Child Safety Matters®**

The MBF Child Safety Matters® elementary school curriculum is provided by the Monique Burr Foundation for Children. This program is a comprehensive, evidence-based curriculum that provides elementary children and all relevant adults with developmentally appropriate personal safety instruction. The curriculum educates and empowers students to prevent, recognize, and respond appropriately to bullying, cyberbullying, types of abuse, and online dangers. It includes universal strategies to better protect children, including five easy-to-remember safety rules. Students are taught how to safely seek assistance, set healthy boundaries and identify resources. Resource materials include parent information sheets, safety rules bookmarks, safety rules posters and school banner.

## **6-8 Physical Education, MBF Teen Safety Matters®**

The MBF Teen Safety Matters® middle and high school curriculum is provided by the Monique Burr Foundation for Children. This program is a comprehensive, evidence-based curriculum that provides middle and high school students and all relevant adults with developmentally appropriate instruction related to personal safety and child trafficking prevention. The curriculum educates and empowers students to prevent, recognize, and respond appropriately to the four types of child abuse (physical, emotional, sexual, and neglect), exploitation, bullying, cyberbullying, digital abuse, other digital dangers, and child trafficking. It includes universal strategies to better protect adolescents, including five easy-to-remember safety rules. Students are taught how to safely seek assistance, set healthy boundaries and identify resources. Resource materials include class notes sheets, student resource cards, home learning assignment, parent information sheets, safety rules bookmarks, safety rules posters and school banner.

## **9 HOPE, Chosen or MBF Teen Safety Matters®**

The Chosen curriculum is provided by Shared Hope International to increase awareness of teen trafficking and inform students of prevention strategies. It includes the definition of sex trafficking, awareness of related characteristic/symptoms, online safety, and reporting resources. Students will be guided through a PowerPoint, view the film, *Chosen-The True Story of America's Trafficked Teens*, and participate in follow-up discussion. Resource materials include trafficking terms, discussion questions, student pocket guide, student take action guide, instructional film.

The MBF Teen Safety Matters® is described below.

## **10-12 Social Studies, MBF Teen Safety Matters®**

The MBF Teen Safety Matters® middle and high school curriculum is provided by the Monique Burr Foundation for Children. This program is a comprehensive, evidence-based curriculum that provides middle and high school students and all relevant adults with developmentally appropriate instruction related to personal safety and child trafficking prevention. The curriculum educates and empowers students to prevent, recognize, and respond appropriately to the four types of child abuse (physical, emotional, sexual, and neglect), exploitation, bullying, cyberbullying, digital abuse, other digital dangers, and child trafficking. It includes universal strategies to better protect adolescents, including five easy-to-remember safety rules. Students are taught how to safely seek assistance, set healthy boundaries and identify resources. Resource materials include class notes sheets, student resource cards, home learning assignment, parent information sheets, safety rules bookmarks, safety rules posters and school banner.
